

TOWN OF CLARKSTOWN

Rockland Community Power

Dear Town of Clarkstown Resident,

November 18, 2021

The Town of Clarkstown is a participant in Rockland Community Power, a Community Choice Aggregation (CCA) program¹ that allows us to pool local electricity demand with other Rockland County municipalities to provide low cost, **fixed-rate renewable electricity supply**. Each participating community has selected Joule Community Power² as Program Administrator. Joule works on behalf of the municipalities to secure clean energy supply at the most favorable terms and ensures there are **no contract or exit fees** for consumers.

Supply Options

There are two fixed-rate electricity supply options under our program: **(1) 100% Renewable** and **(2) Standard**. You may choose between these supply options or opt-out of the program. The Town of Clarkstown has chosen the 100% Renewable Option as the default electricity supply. **You will automatically be enrolled in the 100% Renewable Option unless you choose the Standard Option or to opt-out of the program.**

- **100% Renewable Option:** 100% of your electricity supply is matched by Renewable Energy Certificates (RECs) provided by New York State renewable power plants (hydropower, wind, solar).
- **Standard Option:** Your electricity supply is a mixture of fossil fuels, nuclear, and some renewable energy. To switch to the Standard Option, please call (845) 859-9099 x1 or visit rocklandcommunitypower.com and submit your information through the Enrollment/Change form on the homepage.

Rockland Community Power Rates

Rockland Community Power has secured a rate for electricity supply through a competitive bidding process that will remain stable for 10 months and enables you to power your home or business with 100% renewable electricity.

- Constellation NewEnergy, Inc. will be your new supplier, beginning on your first meter-read after January 1, 2022.
- The new rate will remain fixed for a 10-month period through October 2022.

Rates (\$/kWh)*

Service Class	12-month Orange & Rockland Price to Compare**	Default 100% Renewable Fixed Rate	Standard Fixed Rate
Residential	\$0.07256	\$0.07167	\$0.06515
Small Commercial	\$0.06328	\$0.07167	\$0.06515

* Rates do not include Gross Receipt Tax (GRT). If GRT is collected in your municipality, it will be added to your rate.

** Calculated average price paid per kWh for Orange & Rockland electricity supply service, October 2020 – September 2021.

Orange & Rockland will continue to be responsible for the power lines that deliver your electricity and will continue to bill you. Please contact Orange & Rockland in the event of any service interruption.

If you are a tax-exempt organization, please fill out a ST-119 form and email it to info@rocklandcommunitypower.com to avoid being charged taxes. If you have any questions, contact the team at (845) 859-9099 x1.

Answering Your Questions

It is important to us that before you make your decision you can ask any questions you may have. The Team has a helpline which you are encouraged to call at (845) 859-9099 x1 or they may be contacted via email at info@rocklandcommunitypower.com. We have also included an FAQ in this letter.

Enrollment and your right to opt-out of this program

If you wish to opt-out of the program, please let Rockland Community Power know by December 19th. If they do not hear from you, you will be enrolled automatically in the 100% Renewable Option, and your account information (including energy usage and utility assistance program participant status) will be shared with Constellation NewEnergy. However, you may leave the program at any time without any fee or penalty. If you choose to remain in the program, your new rate will take effect in January.

Sincerely,

George Hoehmann, Supervisor
